REGISTRATION IS OPEN FOR THE AMS ANNUAL CONFERENCE

Event Dates: June 21 - 23, 2023

Lynnfield, MA, February 22, 2023 - At this year's AMS (Advanced Medical Strategies) Annual Conference, we'll be tackling the industry's **BIGGEST** topics including **BIG** claims, **BIG** costs, **BIG** data and of course, **BIG** savings!

This "cannot miss" event will be filled with information and insights for all in the healthcare industry. Interactive breakout sessions, thought-provoking keynotes, the AMS IQ Panel filled with the **BIGGEST** and best in the industry, and much more will fill the agenda. The conference will take place in Boston, Massachusetts June 21st through June 23rd at the Boston Marriott Long Wharf.

"We are thrilled to be back in person this year with our clients and industry colleagues. AMS' conference is a great opportunity for us to network with colleagues while also providing comprehensive business solutions to our Predict Suite community and the healthcare industry at large, said Stephanie Belschner, SVP of Client Relations at AMS. "Last year we had record breaking attendance and with the keynotes we have this year, we anticipate it to be even **BIGGER** and better!"

On day one, AMS' Founder & Chief Medical Officer Stacy Borans, M.D. joins Ryan Work, Vice President of Government Relations at SIIA for a Fireside (Boston Harbor View) Chat on **BIG** (claims), **BIG** (cost), **BIG** (politics). Attendees will then participate in an interactive breakout session of their choice led by AMS Subject Matter Experts.

Day one will conclude with Guest Keynote Speaker, Jason Michaels, professional speaker, best-selling author, and magician who lives with and thrives with Tourette Syndrome. Jason's primary goal with his programs is to amaze and inspire audiences around the world. In his keynote program, **#DOTHEIMPOSSIBLE: LIVE B-I-G**, Jason inspires audiences to take action by living bigger, bolder lives by teaching the success and high-performance principles that made him an internationally award-winning entertainer. All attendees will receive a copy of Jason's best-selling book, *You Can Do The Impossible, Too!*

Later that evening guests will enjoy an evening of food, fun and magic overlooking the Boston Harbor.

On day two, AMS is elated to have Headline Keynote Speaker Robin Farmanfarmaian, CEO & Co-founder at ArO, Author, & Angel Investor, take the stage to discuss **The BIG Shift: The Tech and Trends Revolutionizing Healthcare Access**. Robin has had over 150 keynotes in 15 countries, and is the author of 3 books, including *How AI Can Democratize Healthcare: The Rise of Digital Care*, which all attendees will receive a copy of!

The day two line up also includes the Founder Keynote, **The BIG Risks: What Keeps Me Up at Night!** given by Stacy Borans, M.D., AMS Founder & Chief Medical Officer. Dr. Stacy will present on a variety of hot topics sent in by our conference attendees and yes, Gene Therapy is on the agenda!

The day two event concludes with the AMS IQ Panel. This panel of some of the **BIGGEST** executives in the industry will share their industry INSIGHT with conference attendees. Attendees will also have the opportunity to ask QUESTIONS.

An evening to remember will be had at the New England Aquarium! Attendees will experience the extraordinary animal exhibits while networking with colleagues and penguins during cocktail hour. A costal clambake will then be enjoyed with live entertainment outside under the tent with views of Boston's historic harbor and skyline. To celebrate AMS' 20th Anniversary, 20 attendees will have the chance to win a prize!

This event is expected to sell out, so please register today. We cannot wait to see you at the 10th Annual AMS Conference and 20th Anniversary celebration.
